**Medicare plans** - These plans will cover a 60 minute New Patient visit including an office visit code, but will only cover a 30 minute return Acupuncture appt at the regular copayment, therefore a full hour return Acupuncture visit includes a \$44 add on fee for the unit of service not covered by the insurance plan. Additional therapies such as cupping and massage are also not covered and can be paid for by the member out of pocket if desired at the rates above. Most acupuncture visits will be billed as follows and will not include additional modalities:

60 minute new patient:

- 99202 or 99203 New Patient Visit (depending on complexity) + 97810/13 - covered by insurance plan
- 30 minute return patient: 97810/13 + 97811/14 - covered by insurance plan
- 60 minute return patient: 97810/13 + 97811/14 + additional out of pocket 97811/14 for \$44 add on fee
